

Quality Management in Education & Training, ISO 9001 & ISO 29990 - Erasmus+

În perioada 14-18 noiembrie 2022 a avut loc în Piraeus, Grecia, programul de formare intitulat "Quality Management in Education & Training, ISO 9001 & ISO 29990", unde din partea Casei Corpului Didactic „Csutak Vilmos” Covasna au participat 3 formatori. La acest program au fost reprezentati cinci țări (Italia, Croația, Grecia, Cipru și România). Cursanții au participat la o serie de programe pline de activități practice. Acest program de formare are o deosebită importanță în asigurarea calității în educație și a managementului educațional de calitate. A avut scopul de a asigura dobândirea unor cunoștințe teoretice și practice, prin ateliere de lucru interactive, punând în focus asigurarea calității ce implică revizuire sistematică a procesului de predare-învățare, pentru a menține și îmbunătăți calitatea, echitatea și eficiența acesteia. Totodată, participanții au dobândit competențe care vor fi valorificate de către beneficiari în proiectare, organizare, asigurarea calității în educație.

A Csutak Vilmos Pedagógusok Háza képzői az Erasmus+ "Quality Management in Education & Training, ISO 9001 & ISO 29990" képzésen vettek részt 2022. november 14-18 közötti időszakban. A programban Olaszországból, Horvátországból, Ciprusból, Görögországból, Romániából résztvevő személyek szakmai tapasztalatokkal gyarapodtak a gazdag gyakorlati tevékenységek során. A minőségi oktatás és képzés, célkitűzése, szervezése, programkínálata, értékelése kapott fontos hangsúlyt és különböző műhelymunkával tették interaktívá a szervezők. Összetett és gyakorlatias módszereket nyújtott egy képzés anyagának megírásáról, a tervezéstől a kivitelezésig. A képzés célja a tudatos tervezés, célorientált cselekvéssorozat összeállítása, annak monitorizálása EU szabványok szerint. Ezek azok az ismeretek, amelyek kulcsfontosságú szerepet játszanak egy életképes projekt megírásában, elkészítésében. A képzésprogramot kulturális programok egészítették ki.

The training course entitled “Erasmus+Quality Management in Education & Training” took place between November 14 and 18 in the city of Piraeus, Greece. Through the organization of The Teachers Training Center “Csutak Vilmos” from Saint George, 3 teacher trainers have participated in this course.

Representatives of five countries: Italy, Greece, Cyprus, Croatia and Romania have participated in a series of events full of professional experiences and practical activities. The theme of this course focused on organizing, educational programs and activities which highlight the quality management in education. This specific course gave the possibility for the participants to enhance practical and theoretic knowledge, and to learn to implement these activities through an interactive platform.

The aim of this course and change of experiences was to gain new skills and knowledge, and to learn how to use them in planning, organizing and putting in practice the rules and regulations of European Union standards.
